M2I2 is a program of the Massachusetts Technology Collaborative (MassTech) and the Executive Office of Housing and Economic Development (EOHED). M2I2 provides capital cost shares for projects and discovery centers located within the Commonwealth’s borders, as part of the state’s on-going commitment to the Manufacturing USA program put forth by the federal government.

M2I2 builds upon the state’s existing assets, including a strong academic presence, national leadership in R&D, a deep innovation ecosystem, and a long history of manufacturing strength. M2I2 acknowledges that innovation is key to the future of manufacturing. M2I2 deepens these assets, to further the innovations and job growth within the state by connecting companies, universities, national labs, government, incubators, accelerators, and other academic and training institutions.

The Commonwealth of Massachusetts provides cost share to the following Manufacturing USA Centers:
