

MMAP FY27 Application Preview – Center for Advanced Manufacturing at MassTech

Please apply here: <https://airtable.com/appU2xlKaBWKNlbTH/pagn0aLXRKXsdORwq/form>

Basic Company Information

1. Company Name
2. First and last name of applicant
3. Email Address
4. Primary contact name (who should be notified of award decision)
5. Primary contact email (who should be notified of award decision)
6. Company Address
7. City
8. State
9. ZIP Code
10. Company website
11. Company description
 - Include information on industry, primary products produced, customer base, value proposition/competitive advantage over competition, company structure (e.g. is there a parent company, is your company PE or VC backed, etc.)
12. Please describe the size and scope of your company's operations.
 - For example, facility size, number of locations, or general production capacity.

Project Intent

13. What are the primary challenges your business is looking to solve by participating in the accelerator program, or what improvements are you seeking to make via capital purchases?
14. What are some examples of capital equipment that you believe will fill the need as stated above?

15. If applicable, describe how this project involves AI, automation, digitization, robotics, QA/QC, or workforce upskilling.
16. Describe how this project may showcase innovation at your company.
17. Do you project that the new equipment stated above will help you meet a new contract, or expand capacity for new work? Please explain.
18. Please briefly describe any new market opportunities that may result.

Company Growth & Strategy

19. Where do you expect to see more demand/opportunities for your business?
20. Please describe your company's history of modernization or technology adoption (if any).
21. What is your company's overall vision on modernization and workforce upskilling?

Workforce Impact

22. Please describe the expected impact on your workforce (e.g., upskilling existing staff, new hires, job retention, job displacement and mitigation plan).
- 23(a). Please provide your current number of employees.
- 23(b). Please provide your anticipated number of employees one year after project completion.
- 23(c). Please provide your projected number of employees to be trained/upskilled as part of this project.

Diversity, Equity, and Inclusion

24. Please describe your company's leadership and workforce demographics, and any DEI goals or practices relevant to this project.

Accelerator Participation

25. The MMAP FY26 program requires participation in an accelerator cohort, including assessments, workshops, peer learning sessions, and reporting. Please confirm your willingness to actively participate.

Attachments

26. Please attach a short video (no longer than 5 minutes) explaining your company, vision for your project, and its expected impact.

Must be MP4 format.
